

ADVISORY NOTICE

EVCA210 With detachable leads. Electric vehicle charge-point adaptor.

MEGGER HAS IDENTIFIED A POTENTIAL PRODUCT USE ISSUE WITH EVCA210 UNITS.

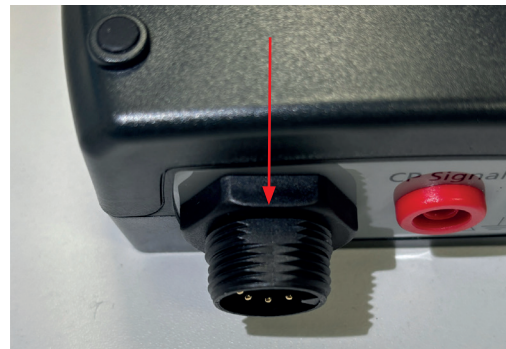

PLEASE IMPLEMENT THE FOLLOWING CHECKS
TO ENSURE THE PRODUCT IS USED AS IT WAS
INTENDED.

1) Remove the detachable lead from the EVCA210.

2) Turn the EVCA210 over to show the rear of the moulded case.

3) Ensure the socket located on the EVCA210 has the flat part of the socket pointed towards the rear of the case as shown below.

4) Ensure the locking nut is finger tight.

If you have not been able to complete this procedure, please get in touch with Megger customer support through the following options:

Website: www.megger.com/en/products/evca210 (then click on Technical Support)

Phone: 01304 502102

Email: uksupport@megger.com
